Lot 7 MISS ABSOLUTE A198 x COLONEL C251

4 embryos - guarantee of 2 pregnancies

A fantastic mating combining the $580,000 Colonel with one of the most unique maternal performance females in the Montana Ranch program, Miss Absolute A198. Stemming from a grandam, Breela of Conanga 3991, a long-time breed leader for end product merit, Miss Absolute A198 is as long and deep as any Angus female we've seen. The first two natural progeny from A198 balance a BR of 102 with a WR of 115 and a RE ratio of 107. A son of A198, Octane 6121, was the $18,500 selection of Belvin Angus of Alberta, CN from the Fall 2017 Montana sale.

MONTANA OCTANE 6121
- The $18,500 son of Miss Absolute A198

Bid price is per embryo. Package price is 4X the bid. Buyer is responsible for shipping costs
